

Foods II
1st Semester Final

Recipe Demonstration

Each student will choose a recipe to demonstrate to the class. This assignment will test the skills you have learned over the past semester. This assignment cannot be made up and attendance is very important over the next week.

Requirements:

1. You will choose a recipe to cook alone (this is not a partner assignment). The recipe must be from the sections studied over the past semester:

- Cakes
- Pastry
- Yeast Breads
- Soups and Sauces

The recipes can be found from the Internet, cookbook in class, magazines, or a family recipe. You should pick a recipe that matches your skill level.

2. Each demonstration should be no more than 10 minutes and no less than 7 minutes. You will need to have ingredients ready to use before you start your demonstration. **Your demonstration will be graded on time limit, organization, safety and sanitation, equipment used (proper names and use), and knowledge of the recipe.**

3. A final product needs to be ready for the class to taste at the end of the demonstration.

Items to be completed and turned in:
